

Pram & Stroller Guidelines

Pram & stroller users' guide to the goBay public transport network

Guidelines for Prams and Strollers

Foldable prams and strollers can be carried, free of charge, on the goBay urban transport network.

However, if requested by the driver, the pram or stroller **must** be folded to make room for other folded prams and strollers.

Prams and strollers **must** be folded if a wheelchair passenger boards the bus.
