### Omarunui Landfill – Applicants' Evidence

1. The evidence on behalf of the Applicants in support of the applications to extend the Omarunui Landfill is contained in the following dropbox link:  
  
<https://www.dropbox.com/sh/fuapyghpvkq8jh2/AAC7R-CoLochLx0VBCD0axLca?dl=0>
2. As an indication of the topic addressed in each statement, and a general guide as to the order the witnesses are likely to be called at the hearing:
  - (a) Martin Jarvis – Council overview of the Landfill and Proposal
  - (b) Philip Doolan – Landfill operations
  - (c) Tony Bryce – Landfill Design
  - (d) Jamie Yule – Geotechnical
  - (e) Tony Reynolds – Hydrogeology
  - (f) Rob Van de Munckhof – Stormwater
  - (g) Dean Miller – Ecology
  - (h) Jason Pene – Air Quality
  - (i) John Hansford – Flooding
  - (j) Shannon Bray – Landscape
  - (k) Andrea Brabant – Planning.
3. The evidence of Ms Brabant attaches a set of proposed regional consent conditions showing differences between the version included with the Regional Council's s 42A report and what is supported by the Applicants' experts.
4. The only proposed changes to the designation conditions are set out in the evidence of Mr Bray.
5. Please let me know if there is any difficulty accessing the evidence or if you have any queries.

Yours faithfully
