

Hawke's Bay Secondary Schools

# Your go-to for environmental education

## Kia ora!

### Ko Hinerangi Price tōku ingoa

I'm here to help with all things environmental education! Whether you're a teacher seeking professional development, curriculum support, or interactive resources, or a student excited about field trips and hands-on projects, I've got you covered.

I can also connect schools with community groups, help with funding, and keep you updated on environmental education opportunities in Hawke's Bay.

**Feel free to reach out—I'm excited to support your environmental education journey!**

---

### Additional Support

#### Networking Opportunities

I can connect you with schools, community groups, and environmental organisations for collaborative projects.

#### Funding and Grants

Need assistance with funding for your environmental projects? I'm here to help.

#### Newsletter and Website

Check out our website for all the latest on environmental education in Hawke's Bay. To stay updated on highlights, successes, and opportunities at secondary schools in the region, send me an email to receive the HBSS Environmental Education newsletter.

### For Kaiako / Teachers

#### Professional Development

Want to boost your environmental education skills? I offer workshops, training, and resources—just let me know if you're interested!

#### Curriculum Support

Need help integrating environmental topics into your lessons? I can align your curriculum with New Zealand's national standards.

#### Field Trips and Outdoor Learning

Keen on hands-on learning experiences? I can organise educational trips to parks, waterways, and more.

---

### For Ākonga / Students

#### Youth Enviro Representation

Interested in becoming a Youth Environment Ambassador for Hawke's Bay or need support with your enviro prefect role? I'm here to help!

#### Environmental Projects

Got a great project idea? Whether it's about conservation, sustainability, or monitoring, I'm excited to support your initiatives.

#### Guest Speaking and Workshops

Interested in engaging talks or workshops on climate change, biodiversity, or waste management? We also offer Green Games designed to ignite environmental action and make learning fun!
