

**FINANCIAL HARDSHIP DUE TO CHANGES TO
REVENUE & FINANCING POLICY**

**Application For Rates Relief / Remission
2024/25 Rating Year.**

We recognise that the recent changes to our Revenue & Financing Policy (the way we set our rates), may have created additional hardship for some ratepayers, which will affect their ability to pay their rates invoice for 2024/25.

Council's Remission Policy provides discretion to consider a partial remission for the 2024/25 rating year in situations of extreme financial hardship. This will apply to the impact of specific policy changes compared to your 2023/24 invoice (e.g. expanded footprint for a targeted rate, move of general rate from land value to capital value, etc). It does not include changes to funding requirements for 2024/25 (e.g. inflation increases, changes in service levels, reduced rates smoothing, borrowing, etc). To enable us to undertake our assessment in relation to your situation, please complete this form.
